# MOOD BOARD

Understand the global incense stick brands, map competitive positioning, identify opportunity for YAAD to stand out & build distinctive brand

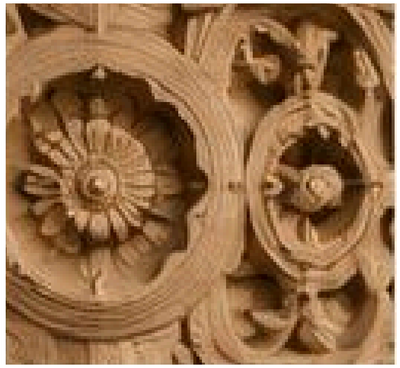

YAAD

# LOGO OPTIONS

Every line, curve & space is purposeful- together reflects connection, journey & storytelling.

## WHY YAAD?

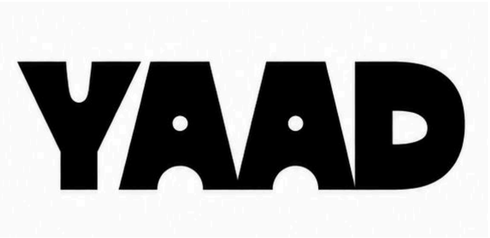

- YAAD means memory, remembrance, a moment that stays with you. The name is chosen because these categories are not just functional products.
- Scent is the invisible thread that connects us to our memories.
- YAAD transforms everyday rituals into emotional moments — a fragrance that reminds you of a person, a place, a festival, a season, or a feeling.

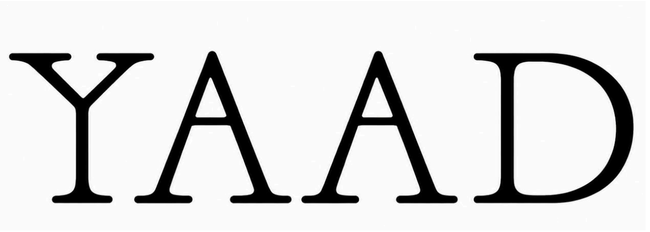

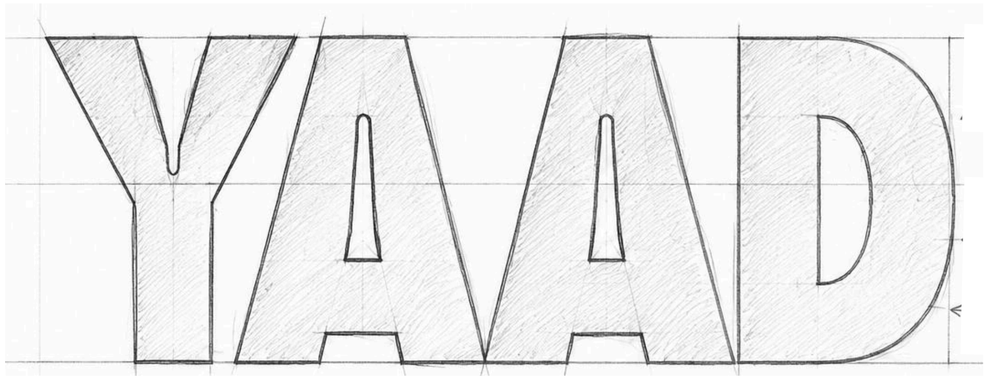

# LOGO CONSTRUCTION

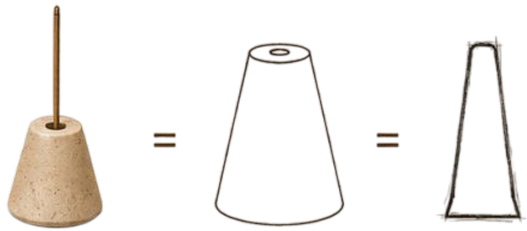

Crafted to reflect balance and timeless elegance.

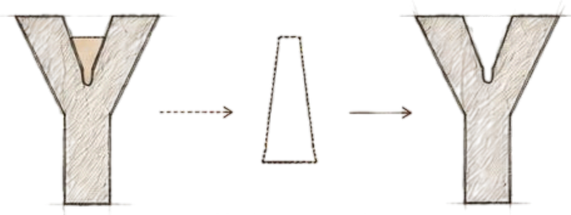

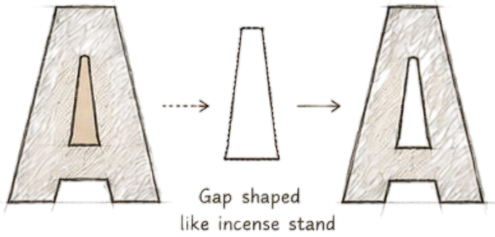

The calming form of incense stand becomes the soul of the font.
